Bylaw Revisions

March 24, 2000 Revisions

- I. Article Two, Purpose: Remove second paragraph.
 - Purpose: The paragraph does not amplify our purpose, is untrue (we are not non-profit), is misleading (some think the term “non-union” means anti-union), and is unnecessary (and unconstitutional) because our by-laws are already specific on the methods by which changes are affected.
- II. Article Three, Section 1: Add FCC Certified Avionic Technicians to those eligible for Regular Membership.
 - Purpose: To appropriately recognize the status of the certificated Avionics maintenance professional and encourage their active participation in determining the destiny of their Chapter, their Region, and the Board of Directors.
- III. Article Three, Section 2: Change to: Associate Membership, Voting Permitted on Chapter Issues, Non-Voting on National Issues
 - The Associate members are traditionally among the most active in our Chapters. Many organize, coordinate and actually run most of the Chapter functions. They pay the same dues as a Regular Member. Their involvement should be elevated to voting on the issues which most affect their Chapter business.
- IV. Article Nine, Section E: Change to read: Each Chapter Member shall first be a member of the National Association.
 - PAMA is an organization of individual aviation maintenance professionals, which may also be organized into Chapters. Chapter affiliation is a benefit of and a subset of National membership. The strength of the National Organization is determined, in part, by the size of its membership roster. Chapter membership without National membership weakens the National effort through reduced funding and participation.

April 27, 2004 Revisions

- I. Remove Series 10-4 from the title of the PAMA Bylaws.
- II. Purpose: To make the bylaws a “stand alone” document. The original Bylaws were encompassed within the original Policy and Procedures as Series 10-4. The Governance Policy has replaced the Policy and Procedures, hence there is no series 10-4.
- III. Article Three, Section 5: Change the title of the selected “Company Representative to the Board of Directors” to “Industry Advisor to the Board of Directors.”
- IV. Purpose: Our current Bylaws do not mirror the new Governance Policy, G-11, Role of the Industry Advisors.
- V. Article Four: Change the title for Article Four to “Association Meetings
- VI. Purpose: Change the title to reflect the article.
- VII. Article Four: Add Item E) and Item F)
- VIII. Purpose: Our current Bylaws do not take into consideration the advancements in technology that could be used to conduct Association business. Conducting business using these means, while not being permitted within our Bylaws could render the business out of order.
