**Professional Aviation Maintenance Association**

## **Member Directory**

The Professional Aviation Maintenance Association (PAMA) *Member Directory* is provided as a private service for PAMA members who wish to locate/contact other members. Individuals may submit or update voluntarily-provided information, or request their information be removed from the directory by emailing [info@pama.org](mailto:info@pama.org).

Information contained in this database is self-reported by members and is not intended for use by organizations seeking a list of all FAA certificated mechanics. PAMA undertakes reasonable efforts to keep the membership information contained in the *Member Directory* profiles accurate; however, PAMA does not warrant the timeliness, completeness, accuracy, or fitness for a particular purpose of the information contained in our members' profiles. PAMA does not endorse in any way the individuals described in these profiles, nor does PAMA verify qualifications or certifications. In no event shall PAMA be liable to you or anyone else for any decision made or action taken by you in reliance on such information. The above warranties are the only warranty of any kind, either express or implied, including warranties of merchantability or fitness for any particular purpose, made by PAMA with respect to the *Member Directory* resource.

Distribution of this directory outside PAMA membership is strictly prohibited. Commercial use of this directory, for any purpose outside of communicating job opportunities, is not allowed as specified in the PAMA [privacy policy](#). You are prohibited from downloading, republishing, reselling, or duplicating — in whole or in part — for commercial or any other purposes, or for purposes of compiling mailing lists or any other lists, *Member Directory* or any of its data listings or other constituent elements. You may not use the *Member Directory* to establish independent data files or compendiums.
