

# SCHOLARSHIP OPPORTUNITIES

Professional Aviation Maintenance Association

PAMA provides scholarships and awards to aviation maintenance professionals. The application deadline for all scholarships is March 15. Recipients will be announced at the **Aerospace Maintenance Competition** awards ceremony, taking place in conjunction with MRO Americas in Atlanta on April 11, 2019.

Eligibility requirements are as follows unless otherwise indicated in specific award descriptions, below:

- PAMA membership (join at [pama.org/join](http://pama.org/join))
- Legal U.S. residency
- Recent graduate (within six months), or enrollment in a [Federal Aviation Administration part 147 school](#)

Scholarship applications must include:

- A current or most recent transcript,
- Two letters of recommendation from an employer, educator and/or mentor
- A minimum 250-word essay on career ambitions

The number of awards available is dependent on funds received. For more information on supporting the maintenance professional awards and scholarships, email [info@pama.org](mailto:info@pama.org) or contact PAMA scholarship chair [Ron Zilberbrand](#).

Please note: relatives of [PAMA directors](#) are not eligible for scholarship awards.

**Future AMT Professional Award,**  
provided by **PistonPower™** by **AEPC™**  
(**AeroEngine Protection Corp.**)

This \$1,000 award is provided to current or recent aviation maintenance students. Monetary Awards may be used towards the purchase of tools, tuition or other education-related expenses.

**Aviation Mechanic Student Award,** provided by **JSfirm.com**

This \$1,500 award is provided to current or recent aviation maintenance students. Monetary Awards may be used towards the purchase of tools, tuition or other education-related expenses.

**Recreational Pilot Certification,** provided by **Sporty's Foundation**

One award in the amount of \$5,000 may be used to obtain a recreational or sport pilot certificate. Funds will be disbursed directly to the flight school. Eligibility and application requirements are unique to this award and as follows:

Eligibility requirements:

- PAMA membership (join at [pama.org/join](http://pama.org/join))
- Plans to pursue a recreational pilot certificate within six months

Scholarship applications must include:

- A minimum 250-word essay on why a pilot license would benefit your career
- Two letters of recommendation from an employer, educator and/or mentor
